and A HAPPY NEW YEAR

**Next Parish Council meetings -
26th January ~ 23rd February ~ 23rd March**

A FEW WORDS FROM BARNTON'S PCSO

Diana Wiggins

The Christmas period is upon us once again, so I would like to take this opportunity to wish everyone a Happy Christmas and New Year.

The dark nights are here once again and leading up to Halloween there were reports of Anti Social Behaviour, mainly on Townfield Lane and the Locke estate. A small number of residents had eggs and stones thrown at their property which caused concern. Names were given and those youths involved have been dealt with - they were called into the Police station and spoken to.

Other than these incidents it has been relatively quiet.

It was requested at one of the Parish Council meetings that I attended, that we could set up a coffee morning in the New Year for the elderly in the village. These coffee mornings will take place at least once a month, and will give the residents a chance to get out and have a chat with other locals. Maybe we could hold a raffle and also invite other agencies to come along and answer any questions that the residents might have concerns with. This will include representatives from Weavervale housing trust.

I am coming up to my two years in Barnton and have met a lot of lovely people - old and young. Everyone has made me so welcome with lots of places for brew stops.

The New Year will bring new opportunities with hopefully more residents getting involved with issues raised.

A new PC has been appointed to cover Barnton and rural areas including Anderton, Comberbach and Little Leigh. Her name is Emily Taylor, she has been with the neighbourhood policing unit for 18 months and is dedicated to helping residents with concerns raised regarding the police.

If anyone would like to contact myself or PC Taylor please ring 0845 4580000 or 0845 4586392.

NEWS FROM BARNTON LIBRARY

Information, Inspiration, Imagination

Books, CDs, DVDs, free computer access, story times and much more available at your local library. Come and visit to see what the library has to offer.

BARNTON LIBRARY HELPED celebrate National Bookstart Day on the 9th October. This year's theme was pirates, and we were pleased to see lots of fantastic little pirates at storytime. We had pirate stories, activities and a pirate treasure hunt round the library. Many thanks to all who took part, we hope you enjoyed yourselves. Thanks too to Thomas and Kate for posing so beautifully for the Northwich Guardian, we hope you liked seeing your picture in the paper! *(photo courtesy of the Northwich Guardian)*

We also had a spooky Halloween Storytime on 30th November with spooky stories and songs. We hope all that came had a great time! There were some fantastic costumes, including some witches, a skeleton and a monster! Thanks again to all that took part.

Spooky Halloween Storytime.

On Friday 2nd January there will be a Karate session in the library run by Glyn Roberts from Shotokan Karate. The taster session is free and is aimed at 6 + years. Spaces are limited and booking is essential, so if you would like to attend please contact the library to book your place. Children will need to be accompanied by an adult. It'll be a great way to kick-start the New Year!

Don't forget that storytime is every Thursday from 3.45pm - 4.15pm. It's a great way for children to meet, listen to stories and sing some songs!

The library always welcomes new members, so whether you're after free internet access, tracing family history, borrowing DVDs, or you just want to borrow a book - or 20! - come into the library and speak to a member of staff. It's free to join and all you need to bring as ID is one item with your name and address on it, such as a driver's licence or phone bill.

And finally, I'd like to wish you all a very Merry Christmas and a Happy New Year.

110 Years On and The Memorial Hall is Three Years Old!

This year is one of those special years - Sir John Brunner set up his trust for the village in 1898, so this year we are 110 years old! Our current hall was built, in the main, with a legacy from Sir John Brunner and is now three years old and doing well.

Party Time

The hall is a good place for children's parties, so if you are thinking of a birthday or Xmas party in the Hall, book soon to avoid disappointment.

Mid-Cheshire College

Mid Cheshire College are running several courses in the Hall at the moment - for further information contact Mid Cheshire College on 01606 74444.

Hall Availability

Due to a long-term user opting to concentrate on other days, the Hall currently has the prime-time of Monday evenings available for bookings. The hall is also looking for possible bookings for 2009, when the current long-term contracts come up for renewal.

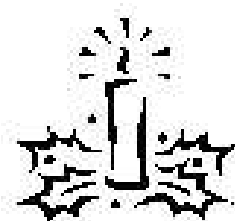

Chairman's Charity

Our Chairman, Jeff Gray, supports the Hearing Dogs for Deaf People, so if you have any used stamps please bring them to the hall and pop them in the envelopes on the notice boards for him and he will make sure they are sent to the charity.

DIY Help needed

Bored? Do you have Skills to share? Would you like to invest your time to the village? We are looking for voluntary help with our maintenance jobs around the hall - these range from changing light bulbs, gardening, painting, simple woodwork jobs, fixing leaking gutter, cleaning out drains, to maintenance administration and keeping on top of essential jobs. No set hours but every now and then it's all hands on deck when we have a problem or a job to do. Please contact John Turnbull if you could help on 01606 783442.

The trustees and staff would like to wish all their friends and members of the Hall's user groups a very happy Christmas and look forward to seeing them in the New Year.

BARNTON COMMUNITY PRIMARY SCHOOL

AUTUMN TERM

Once again we have hit the ground running and Autumn Term has sped past in a whirl of excitement, with opportunities for parents, children and staff alike to get involved with life and learning at Barnton Community Primary School.

September

At the beginning of our Autumn Term, we welcomed a number of new starters to classes throughout school. Our Reception cohort is the biggest we've had for a number of years, with forty keen and eager four year olds ready to take up the challenge. Divided into two Learning Groups our 'Snowdrops' and 'Bluebells' have taken to school enthusiastically and all have settled really well into daily life.

One of the highlights this term was during Creative role play, when our school hall was transformed into an airport and children, complete with suitcases and passports were taken on an imaginary journey to distant lands.

European Arts Week

In the last week of September we held a European Arts Week, developing the children's understanding of their place in the world as Europeans. Visiting artists were welcomed, and all of our children from Reception through to Year 6 enjoyed expert tuition in dance, Art and Creative Writing. They all worked incredibly hard and our visitors commented on what great children we have here!

Tattenhall

This half term our Year 5 pupils have enjoyed an exciting visit to Tattenhall, where they undertook an Arts Activity Week. They studied 'The Tempest' by Shakespeare and produced some fabulous work, which is beautifully displayed in our hall. In addition to this the Year 5 children shared their adventures with the rest of the school community during a Family Assembly on their return.

The Big Draw!

A number of our pupils took part in The Big Draw - an event organised by staff from the Anderton Boat Lift to develop pupils' understanding of local history and the development of our community.

In addition to this our Year 6 pupils took part in the Night Walk at the Anderton Boat Lift - producing lanterns and using them to light their way.

Many thanks to the staff at Anderton Boat Lift who gave so generously of their time and have provided such amazing opportunities for our pupils.

Road Safety Week

During Road Safety Week we were visited by members of the Little Truckers Club, who brought an HGV to school!

All classes were given the opportunity to hear how loud the engine was and develop their understanding of how difficult it is to be heard and seen by the driver.

All staff reinforced the importance of Road Safety in a consistent message that was heard by all children throughout the week and we hope will help them to consider more carefully the dangers associated with being on the road.

The Salt Museum

Our Year 1 and 2 children have been learning all about The Great Fire of London and visited the Northwich Salt Museum, where they took part in workshops to develop their understanding. All of the children had a most enjoyable day and the staff at the museum worked hard to make learning come alive for them.

Many thanks.

BARNTON COMMUNITY PRIMARY SCHOOL

Family Learning

Once again our parents have been busily involved in school life and learning. Tuesdays mean that Barnton is a hive of activity, with some parents being involved in supporting staff and children in a gratefully valued role of 'Parent's Task Force'. Others take part in our 'Adult Keep Fit' - which runs from 9.30-10.30am in the school hall.

ALL members of our community are welcome to participate in this, which is held weekly and a Crèche is also provided.

Please contact Mrs Chapman in the first instance (01606) 74784 - ALL WELCOME!

Wednesdays and Thursdays have been taken up with Family Learning, allowing parents the opportunity not only to develop their own understanding of Maths, but also to support their children, at an appropriate level. They have all worked really hard and we are so proud of their achievements, as we hope they are too!

And that's our term so far...listen out now for the faint melody of carols in Barnton as we prepare for Christmas!

M.A.T.C.H. Night

Our Dads have also had the opportunity to get involved this term with our second MATCH (Men and Their Children) night. Over one hundred people turned up to participate in what was a most enjoyable 'Den Building' and BBQ night. We would like to say a huge thank you to Mrs Pettit and all of the staff who contributed to make this event so successful.... Requests have been flooding in for the date of the next one!

Blue Friday

This year we once again held 'Blue Friday' where pupils came to school dressed only in blue to raise their awareness of bullying. Pupils were given the opportunity to discuss what they understood by bullying and equipped with skills necessary to deal with incidents should they arise. They also all contributed to a 'pledge' book in which ideas of how to tackle bullying were collated.

ROSEBANK SCHOOL

Conservation Enthusiasts:

TWELVE KS2 PUPILS from Rosebank have enjoyed taking part in a project organised by the Woodland Trust. They have been working at Dutton Woods, planting bluebell bulbs and oak tree saplings to help preserve the natural woodland.

Boccia Tournament

Two teams of Rosebank pupils took part in this competition at Hartford High School. The pupils have had plenty of practice in team game skills through their weekly multi-skills sessions led by Andy Ault.

They all participated very well and enjoyed the tournament.

Harvest Festival

The whole school took part in our Harvest Festival celebration at Barnton Methodist Church last month. Friends and families joined in and all shared refreshments afterwards, prepared by members of the congregation.

Our Christmas Carol Service will be held at the Methodist Church on 15th December.

The Barn Owl

WHEN I FIRST TOOK OVER **The Barn Owl** I had a vision that there should be something going on in the pub every day of the week that would appeal to many different people in Barnton. Now, two years on, I am glad to say we are getting there and every day we are seeing new faces coming in.

We now have regular weekly events which include:

| | |
|------------------|---|
| MONDAY | Ladies Afternoon Club Monday Night Bingo 2 Darts Teams in the Country Darts League Poker Night |
| TUESDAY | Dominoes Team |
| WEDNESDAY | 5 Teams in the Northwich and District Pool League |
| THURSDAY | Thursday Night Bingo Ladies Darts Team |
| FRIDAY | Karaoke Disco |
| SATURDAY | Karaoke Disco |
| SUNDAY | Quiz League Team |

This is all complemented by a full Sky Sports/Setanta Sports Package with Football matches being shown on the big screen.

I started with a five-year plan to try and turn the pub in to somewhere that everyone feels welcome in - relaxes, enjoys themselves and gets a good pint! To do this I realised that there was a lot of hard work ahead.

The past two years have seen many changes. We have added a secure Beer Garden with kiddies swings and slide. We've refurbished the Games Room to a standard which is commonly now thought of as the best Pool venue throughout the Northwich area. The toilets have also been completely revamped to bring them into the clean, fresh 21st century.

Now for the years ahead I hope to continue ringing in the changes. I want to refresh the Front Bar and the Function Room, and desperately improve the appearance of the pub from the outside to make it a lot more appealing and inviting.

I am a Barnton lad born-and-bred, and I personally have always loved the Barn Owl and the people who use it. Hopefully with the changes that I am making many more Barntonians will feel the same.

Matthew Whitehead - aka Vern

TRIP OF A LIFETIME!

IN AUGUST I travelled with Guides from other units who had been selected to attend the International Scout Jamboree in Austria. This was held at Eggenberg bei St Georgen which is near the river Attersee. The camp ran for a week although, in fact, we spent 2 weeks in Austria in total.

Our group from Cheshire flew to Munich and then travelled by coach for about three hours to meet our scout hosts in Linz in Austria. We were looked after by the Linz scouts for three days before the Jamboree started and it was here that we had our first taste of the picturesque Austrian towns and countryside. We swam in the crystal clear but freezing cold River Steyr, which joins with the river Enns in the city, Steyr. Linz is preparing to become next years' Capital of Culture so as you can imagine there is quite a bit of building work going on.

We then travelled south to the Attersee region to join the Scout Jamboree - it was massive - 5,000 Scouts and Guides of all different ages from all over the world!

During the Jamboree we participated in a three day project away from the campsite. You could choose projects in the town, countryside or wilderness. I chose a project on film, photography and graphics in a town called Wels - I thought it would be a bed for three nights instead of having to sleep in a tent!

We did not go with the group that we travelled with - the groups were internationally mixed up so you had to 'be prepared' to muck in and make new friends. When we came

back we presented our project to the rest of the Scouts and Guides in our age group (The Ranger and Rover section).

There were parties every night though I soon learned that staying too late meant I couldn't get up the next day to participate in the many activities on site.

When the Jamboree closed we travelled to Salzburg where we stayed for two days. Guess what we did - the Sound of Music tour!

The best part of the trip was making friends with scouts from other countries. In particular I have promises of trips to Crete, Austria and Sweden and of course my new friends have been invited to come and stay with me in Barnton.

The worst part was carrying all the equipment when we were travelling from place to place. All those heavy rucksacks and tents! Also the showers on the campsite were very basic, freezing cold and the water just trickled out! So you have to be willing to rough it maybe even pong a bit! Still there was always the River Aga to swim in.

It was a wonderful experience and I have many happy memories. It was hectic and hard work but I would recommend any Guide to 'Go For It' should the opportunity arise. It will exceed your expectations.

Finally I would like to say thank you to all the organisations and people who helped fund the trip which included Barnton Parish Council, Vale Royal Goldstar award, the various guiding organizations (including Trefoil and Friends of Guiding) and finally Jean & Beryl.

ARE YOU LIVING WITH A LONG-TERM HEALTH CONDITION?

Then the Expert Patients Programme Self Management Course could benefit you!

The courses are highly interactive and focus on building skills, sharing experiences and supporting each other.

The programme is designed to help us gain self confidence in our ability to control the symptoms of our long-term condition, understand how our health conditions affect our lives and that of our family, to take ownership of it and be responsible for its management in partnership with our healthcare professionals.

Programme (EPP)

The EPP is a FREE course, run over 6 weeks for people living with long-term health conditions. Each 2½ hour session is delivered by trained volunteer tutors who themselves live with long-term health conditions. The course can help you learn new skills, manage your condition better and take more control from day to day.

We look at:

- n Dealing with pain and tiredness
- n Coping with feelings of depression
- n Relaxation techniques and gentle exercise
- n Healthy eating
- n Communicating with family, friends and health professionals
- n Planning for the future

Please call Caroline, Diana or Hilda and have a chat - see if it something you could benefit from:

BARNTON VARIETY THEATRE WORKSHOP

With Christmas fast approaching it can only mean one thing for Barnton Variety Theatre Workshop:

"PANTOMIME TIME"

Yes we are busy rehearsing for our 2009 panto "**Snow White & the Seven Dwarfs**". It hasn't all been plain sailing let me tell you.

A few months ago it seemed impossible - with the closure of Barnton & Anderton Royal British Legion we had nowhere to hold our already advertised auditions or to rehearse. The search was on to find a local room within our budget, luckily we found just the place and we now rehearse at Anderton Memorial Hall on Sunday evenings. So with everything back on track BVTW will tread the boards once more with this panto classic.

Snow White runs from Wednesday 21st Jan 09 until Saturday 24th Jan 09 at Northwich Memorial Hall. Evening performances starting at 7.30pm and Sat Matinee 2.15pm. Contact Ann Rowe on 01606 782442 for tickets.

If you are interested in becoming a member or patron get in touch - we make everyone welcome. We are also available for concerts throughout the year and the funds go to help us put on bigger and better shows.

So start your own rehearsals - booing, hissing "he's behind you" "oh no its not" and come along and join in the fun and your guaranteed good time - we'll look forward to seeing you there.

BARNTON PARISH COUNCIL VACANCY FOR A MINUTE SECRETARY/ DEPUTY CLERK

Barnton and Anderton Royal British Legion Women's Section

THE WOMEN'S SECTION is to promote the welfare, by charitable means, of men, women and dependants of people who have served in the armed forces.

After World War 1 and 2 conflicts are still happening in the world, and our forces need our support.

We, as a branch of this worthy organisation, still work on fund raising events throughout the year to contribute to the benevolent fund, Central and County funds.

Our Committee is small in numbers but with enthusiastic and hardworking members.

The meetings are held at the Barn Owl (kindness of Matt) on the second Monday of each month at 3.00pm. We would welcome more members.
