

Want to do your bit for Barnton?

If you're interested in local issues and have a couple of hours a month to spare, why not come along to Barnton Parish Council and have your say on local affairs.

The Parish Council looks at all areas of Barnton life, from Parks and Recreation facilities, to planning applications and litter picking. We liaise with the local Police and our Police Community Support Officer and are always looking for new ideas to keep Barnton a thriving and safe place to live.

Whatever you're interested in, there's a role for you on the Parish Council. If you want to find out more, come along for some drinks and nibbles at our open evening...
