MINUTE P&RG 071/09/10 - DECLARATION OF RESERVES:

Mrs H Kirsopp as reserve for Mr J Wills

MINUTE P&RG 072/09/10 – DECLARATION OF INTERESTS:

None declared.

MINUTE P&RG 073/09/10 – QUESTION TIME / OPEN SESSION:

A group of residents from the Runcorn Road area were present. They offered suggestions and provided diagrams in relation to the recommended site for the multi-use activity equipment which they felt had been installed in the wrong location on the recreation ground (see MINUTE P&RG 063/09/10)

A number of positions were considered, but the most favoured was a location in the South East corner of the field, facing diagonally towards the large bush/tree in the North West corner.

The second most favoured was on the East side, along the hedge, behind the current play equipment and well down the hedge line towards the southern boundary.

The third choice was in the North West corner on the East side of the tree and facing diagonally towards the South East corner.

An additional request was tabled by the residents asking that the Council try to accommodate a new children's play area when the replacement equipment was installed, in the North West Corner, along with benches for the parents.

Members also noted the complaints raised in relation to the foul and offensive language which older children were blamed for, and which indicated that the Multi Use Activity equipment be placed in a position, as far away as possible, from residential properties.

There being no further business, the meeting closed at 6.30pm
